Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Monday 02 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine and showers developing Monday, especially later. Coasts mainly sunny.

Today:
Monday will start mainly dry with sunny spells and light winds. Increasing chance of sharp slow-moving showers by the afternoon and evening, perhaps turning thundery. Best of the sunshine probably near coasts. Maximum temperature 22 deg C (72 deg F).

Tonight:
Starting mostly cloudy with slow-moving evening showers persisting in some areas, although much of the region will become dry after midnight with clear spells. Chilly by dawn. Minimum temperature 10 deg C (50 deg F).

Tuesday:
Bright, chilly start in most places before cloud increases by midday with a few heavy and slow-moving showers developing, perhaps thundery. Mostly sunny near coasts. Light winds. Maximum temperature 23 deg C (73 deg F).

Outlook for Wednesday to Friday:
An unsettled spell of weather with some clear or sunny spells and heavy showers developing each day, with torrential downpours likely to affect some areas, perhaps more especially during Thursday.
